Title: Lineage-Restricted Precursor Cells  
Isolated from Mouse Neural Tube and  
Mouse Embryonic Stem Cells

Declaration by Mahendra S. Rao

I, Mahendra S. Rao hereby declare:

1. I am a co-inventor on the above-referenced patent application with Tahmina Mujtaba and am familiar with the conception and reduction to practice of the claimed invention.

2. I am also a co-inventor of U.S. Patent 6,361,996 filed May 7, 1997 naming Margot Mayer-Puschel and myself as co-inventors. Inventions relating to mouse lineage restricted precursor cells disclosed, but not claimed in the issued patents were derived from my work.

I further declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such
